Gulmarg

Gulmarg is a well-known destination for winter sports and outdoor activities. Located at an altitude of 2730m from sea level, Gulmarg is surrounded by snow-capped mountains and green valleys, flowing streams, and lush forests.

In 1927, Gulmarg was a small village in the region during the British Raj. Today, it has become a major tourist destination, boasting advanced infrastructure and facilities.

Choose winter sports like skiing and snowboarding, or explore the exotic green valleys, waterfalls, and wildflowers, the views are simply breathtaking. Gulmarg is a perfect blend of natural beauty and cultural richness.

Defining Gulmarg is difficult because it's a place where you can experience anything you want to see and do. It's a place where you can explore the natural beauty of the region, visit historical sites, and indulge in delicious local cuisine.

What to See in Gulmarg

There are many things to see in Gulmarg, including the famous Gulmarg Lake, the Gulmarg ski resort, the Gulmarg Houseboat, and the Gulmarg Golf Course. You can also visit the Gulmarg Museum, the Gulmarg Art Gallery, and the Gulmarg Craft Center.

Gulmarg surely places that you can be explored with your family, friends or even with our partner to have the best time of your life. So what are you waiting for? It is no time to book your trip soon and have fun because Gulmarg is one such place that has simply been providing the people with some great experience be it in terms of food, activities, and even the shopping. Blessed with a heavy amount of snow, Gulmarg is surely the best one.
